Purpose

To preserve the image and integrity of the sport of Paddleball and to promote sportsmanlike conduct and good behavior in tournaments and Paddleball events, such as PowPows and exhibitions. Players must conduct themselves in a respectful manner at all times. This includes using a respectful tone and language when addressing the referees, spectators and other players during the tournament.

Penalties Definitions

Unsportsmanlike Penalty - At the discretion of the Head Referee, these violations may involve the deduction of point(s) or loss of serve in that game. A log of Unsportsmanlike Penalties will be maintained by the PFA Code of Conduct Advisory Committee (COCAC). Unsportsmanlike points are accumulated as COC violations are enforced (The First warning will be verbal, the 2nd is a point and the 3rd will result in disqualification). One point is assigned for each unsportsmanlike penalty. When the number of points in a given match reaches three, the player shall be disqualified from the tournament. **Unsportsmanlike Penalties will be carried over throughout the tournament and for all tournaments for one year. Disciplinary action may be taken when the number reaches three over the course of one year.** Examples of actions deemed to meet the criteria for Unsportsmanlike Penalties are listed in COC #1.

Match Disqualification Penalty – Results from a player accumulation of Unsportsmanlike Penalties or single incident of blatant behavior. A player who receives his/her third Unsportsmanlike Penalty during a match shall be disqualified from that tournament and his/her behavior reviewed by the COCAC for possible suspension. A log of Match Disqualification Penalties will be maintained by the COCAC. **Match Disqualification Penalties will be carried over for one year and taken into consideration for possible additional suspension or lifetime ban, if applicable.** Examples of actions deemed to meet the criteria for blatant behavior warranting a Match Disqualification Penalty are listed in COC #2.
